

### Remarks

Claims 10, 12, 13, 14, 19, 22, 24, 25, 26, 35, 38, 40, 41, and 42 were pending in this application. The Office Action states that those claims were directed to at least six different species of inventions corresponding to Figures 7-12 and presents a restriction requirement. The Office Action considers no claim generic.

The Applicants hereby elect the species shown in Figure 10. In an effort to simplify tracking the various claims, the Applicants have cancelled claims 10, 12, 13, 14, 19, 22, 24, 25, 26, 35, 38, 40, 41, and 42 and, in accordance with MPEP §809.02(a), are presenting claims 43-93 with this amendment.

New claims 43, 44, 45, 61, 62, and 63 are considered readable on the embodiment shown in Figure 10. The Applicant respectfully submits that this amendment is fully responsive to the requirements set forth in the pending Office Action. Should anything remain in order to place the present application in condition for

allowance, the Examiner is kindly invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,

John F. Nethery
